

Lode Heath School Equipment Expectations

It is crucially important that students have the correct equipment with them in school, and at home, to aid their learning. All students are expected to have the following equipment:

- Black/ blue writing pens
- Green pens (for peer and self-assessment)
- Pencil
- Rubber
- Ruler
- Scientific Calculator
- Highlighter
- Compass
- Protractor
- If they have a set of their own pencil crayons and glue stick this would be helpful.

Please be aware that under the current Covid restrictions equipment cannot be lent out or borrowed between pupils, therefore it is essential that students come prepared each day.
